*"The EV-W Choirs attended the matinee performance (at Chanhassen). We were met with great service...great food...and great fun in the performance. As a director, I was totally at ease and thoroughly enjoyed myself all during the time we spent at the Chanhassen. The workers were so kind, accommodating and quick...thanks to everyone! My students stated "I'm going again next year!" Most of them had never had an opportunity like this before. They had such a great experience... superb, live theater!"*

*"Words fall short in summing up the excellent way our party was handled. The kindness and courtesy from the first phone contact throughout was 100% professional. We felt welcome when greeted as we came through the door. The wait staff was friendly and efficient. My kids and grandchildren had nothing but praise for a skilled cast of performers. We are spreading the word about what a fine organization you have."*

*"We have come to make our visits to your theatre a regular event. We've seen quite a few of your productions over the past several years and have never been let down. From the great food to the wonderful plays to the personal touch of introducing our group at the beginning, the experience is always top-notch. We did the backstage tour this year and that added a special appreciation to the history and hard work that defines Chanhassen Dinner Theatres. Thank you for the wonderful experience and for making quality theatre affordable in Minnesota."*

*"I want to take an opportunity to congratulate your staff on the fabulous job they did last Saturday evening. Everything went like clockwork for our group. From ordering tickets, to planning our social hour with Jenn, to dinner and the show, your staff sure knew what they were doing. They made it easy for me to work with them and made me look good in front of my peers! The food was excellent – my hat off to the chef! Your service staff was Johnny-on-the-spot and very friendly. The show was magnificent and the talent was amazing. Thank you all for making our evening enjoyable and relaxing. We love coming to Chanhassen Dinner Theatres and you will see us there again in the future! Thanks again for a fabulous time!"*
