

Bus Drivers

Thank you for transporting your group to CDT!

Please note that bus procedures may have changed since your last visit; please review these parking instructions prior to your arrival.

Drop Off:

Drop your group off below the canopy at the front of the building; entering from the right side as you face CDT.

Parking:

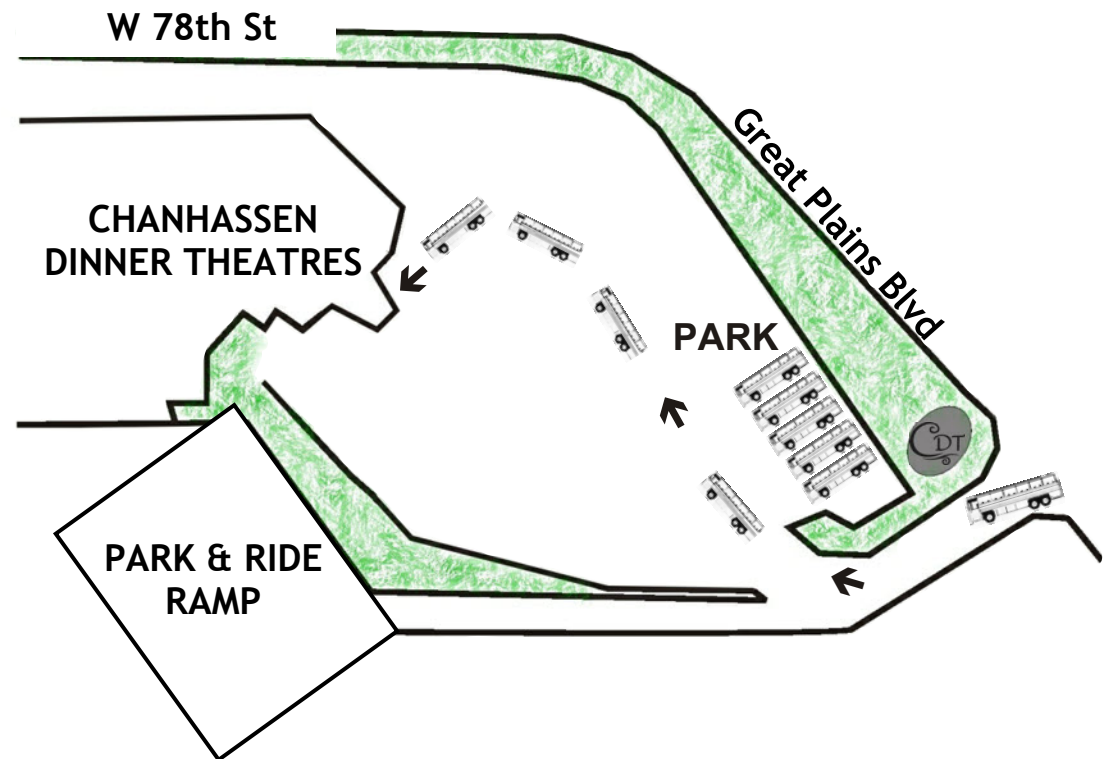

Bus parking is located at the far corner of our lot, along the trees, as indicated on this map - please back in at an angle as shown.

Pick Up:

Refer to the drop off instructions. Please refrain from pulling up until 10 minutes before the end of the show.

**Please note the “NO BUS IDLING” signs.
Buses can be heard in our theatres & fumes enter the building.**

We are happy to serve you a complimentary meal and, if seating allows it, a complimentary ticket to the show. Check with the Box Office for your dining and seating arrangements.
