

ABOUT CHANHASSEN DINNER THEATRES...

For a taste of Broadway, visit Chanhassen Dinner Theatres where each year we are proud to entertain as many as 250,000 guests. The theatre opened in 1968, with one 600-seat theatre; at that time, few people in the Twin Cities knew what dinner theatre was or where Chanhassen was located.

Since then, Chanhassen Dinner Theatre has expanded to include four separate theatres and has become a premiere entertainment establishment offering warmth, charm and elegance to its guests. Over the past forty-four years Chanhassen has served over 10,000,000 guests and is the largest professional dinner theatre in the nation!

A wide variety of entertainment is featured to please the diverse tastes of theatergoers. Full-scale musicals are CDT's specialty in the Main Dinner Theatre. Here audiences of 600 people see such blockbusters as *Les Misérables*, *Cats*, *Anything Goes*, or *Beauty and the Beast*. The Fireside Theatre presents hit comedies and small cast musicals while The Playhouse Theatre features the improv show *Stevie Ray's Comedy Cabaret*. Chanhassen is in the unique position of having facilities to build costumes, sets and props on-site. This allows Chanhassen's artistic staff free creative range when putting together productions for its audiences.

In March 2010, a group of passionate investors, led by resident Artistic Director Michael Brindisi, Steve Peters and Tamara Kangas Erickson, purchased the 42-year-old dinner theatre complex. The founding partners all have a long, affectionate history with this incredible institution. Mr. Brindisi has a 30-year affiliation with CDT and is deeply dedicated to its audiences and nearly 300 employees. He has witnessed the commitment of the Bloomberg family who founded the Chanhassen Dinner Theatres and ran it for twenty years before passing the torch to Thomas K. Scallen, Producer Emeritus, who likewise carried on the same traditions.

CDT is also the largest privately-owned restaurant in Minnesota and typically serves up to 1,000 dinners in the two-hour period before a play. Guests will relax and enjoy tableside service with entrees selected from a complete menu. Specialty appetizers, cocktails and desserts are also available. Gourmet Magazine calls Chanhassen "one of the very best dinner theatres in the county." AAA Magazine says "any Twin Cities trip should include an evening at Chanhassen!"

One third of Chanhassen Dinner Theatre's annual business is comprised of travel/tour and business groups. CDT prides itself in customizing packages for a wide variety of guests attending in groups of 12 to 1,000! Private rooms are available for meetings, pre-theatre gatherings and banquets. Whether your meeting is for 20 or 550 people, CDT has a variety of options for you. You can be entertained at Chanhassen Dinner Theatres all year 'round. Treat yourself to a unique dining and theatre experience you're sure to remember!
