XANADU

Book by Douglas Carter Beane
Music and Lyrics by Jeff Lynne and John Farrar

Kira, a beautiful, magical Greek muse, is sent on a quest to Earth from the heavens of Mt. Olympus to Venice Beach, California to inspire a young artist to achieve his greatest dream - to build the first roller disco! (Hey! It's 1980!) But when Kira falls into forbidden love with the mortal Sonny, her jealous sisters take advantage of the situation and chaos abounds. A musical spoof of the '80s cult classic Olivia Newton-John film, this hilarious roller-skating, disco-dancing adventure weaves an electrifying tale of endless fun that will keep audiences in stitches!

Featuring popular 80s songs like "Magic," "All Over The World," "Suddenly," "I'm Alive," "Evil Woman," "Have You Never Been Mellow" and "Xanadu."

It's hilarity on wheels for adults, children and anyone who has ever wanted to feel inspired. You'll want to keep the music in your head and *Xanadu* in your heart forever!
